F.No. S-50/20/2021-AIIA / 2925

Dated: 06/12/2021

Protocol for Weekly Seminar

Inter Departmental Seminar is an integral part of Academic Activities. Keeping this in view, as directed by competent Authority, AIIA, the Inter-Departmental Weekly Seminar of the scholars of the Batch 2019-22 is planned to be conducted from 13th Jan., 2022 every Thursday at 3.30 Pm in the Auditorium, Ground Floor, Academic Block, AIIA, whichever is appropriate. In this regard, certain following protocol are framed as directed:

1. The session will be chaired by the respective Guide/Co-guide/Dean. The session will start with the introductory remarks of the chairperson and the chairperson will invite the scholar to present the work.
2. After the presentation, the chairperson will invite the Questions and suggestions from the scholars and the faculty subsequently.
3. After the discussion part, the chairperson will conclude the session.
4. The proceedings / minutes will be prepared and submitted to and get endorsed by the Chair and the presenter scholar. The brief of the proceedings will be conveyed by the coordinators next week before the commencement for the presentations.
5. The weekly Seminar will be held on working Thursdays and in case of Holidays on Thursdays, it will be held on the preceding working day. All the other Academic Activities of various Departments should be planned accordingly. In inevitable circumstances, the Seminar will be rescheduled after the approval of Competent Authority. The monthly schedule of the presentations will be circulated priory.
6. The scholar has to present the topic in Power point presentation and submit a short summary (not more than 500 words) along with 2-3 pics of the seminar, to upload on the Official website. The PPTs should not be more than 20 and the allotted time for the **presentation should not exceed 25 minutes**.
7. If the Seminar scheduled is not done, the same may be clubbed with the next week schedule or may be shifted at the end of the whole session. The scholars will be informed priory for it.
8. In justifiable circumstances, the scholars may mutually exchange their allotted schedule of presentations with written information to the Dean Office.
9. The candidate must present the work as per the pre-decided schedule and absence is strictly not allowed. Under inevitable circumstances or on Medical grounds only, the scholar can reschedule the presentation after written application to the Dean Academics and seeking the permission for the same. Absence without permission / intimation will attract disciplinary action.
