INDEX

SL NO	NAME OF THE ACTIVITY	PAGE
1	A study of ashwagandha administration in participants vaccinated against covid-19 on safety, immunogenicity, and protection: a randomized, double-blind, placebo-controlled, multi-centric clinical trial	5
2	Development of an innovative Upanaha patch and evaluation of its comparative clinical efficacy in knee osteoarthritis	6
3	Development of ready to make weaning food prepared as per the formulation given in Astang Hridaya	7
4	Development of nutraceutical cookies enriched with cissus quadrangularis	7
5	Proximate analysis, shelf-life study and antioxidants analysis of Chinchadi candy (tamarind candy)	8
6	In vitro and in-vivo safety studies of selected Rasaushadhies (Mercurio-Arsenical formulations)- Shwasakuthara rasa and Sameerpannag Rasa	9
7	Proximate analysis and antioxidants analysis of Chinchadi candy (tamarind candy)	8
8	Analgesic and anti-inflammatory activity of vitex nigundo and vitex agnus-caustus on albino wistar rats	11
9	Assessment of medhya karma of mundi in experimental model of amnesia in adult mice	12
10	The microbiological study of deep second degree burn wounds and the therapeutic and antimicrobial potential of Patola taila in Wistar rats- a preclinical study.	13
11	Wound healing efficacy of Ashwagandha gel	15
12	Protective effect of Swadamstradi Ghana, an ayurvedic compound herbal formulation against gentamycin induced nephrotoxicity in wistar rats	16
13	Design and development of hand held Dhoopan yantra	17
14	Modulation of gene expression of taste receptors and secretion of gut hormone after stimulation by different rasas(taste) of food using the enteroendocrine cell line model	17
15	The repurposing of herbal formulations and bio actives against 4-hydroxy-trans-2-non-enal(HNE) generation in repeatedly heated food(oils) for the abatement of lifestyle related disorders	17

16	Development of pectin-based bio composites of herb Gojihva (Launea nudicaulis linn.) For wound dressing & its clinical evaluation on chronic wounds: an exploratory study (IIT-Delhi)	17
17	Investigating neural correlates of humming bee sound during the Bhramari pranayam.	17
18	Development of for early diagnosis of cancer and assessment of ayurvedic drug response in cancer -an exploratory study	17
19	Analysis of bhasma and their toxic inhibitor effect on the als(amyotrophic lateral sclerosis)- related sod-1 and parkinson related alfa 1- syn nuclein aggregation	17
20	Ashwagandha for the prophylaxis against SARS-cov-2 infection: a randomized hydroxyl chloroquine controlled clinical trial in health care providers (study code: ayush-csir-hcp-01)	21
21	Study the physiological basis and gut bacterial modulations induced by virechana (purgation therapy) in healthy adults: a prospective longitudinal study	28
22	Prophylaxis with neem capsules (Azardirachta indica a. Juss) in subjects coming in contact with of covid-19 patients.	33
23	Evaluation of cytotoxic activity of Gojihva on breast cancer (MCF-7) and cervical cancer (hela) cell lines	37
24	The antidiabetic effect of swaras and hydro alcoholic extract Gojihva on the experimental animal model	38
25	Validation and reliability testing of ayurveda diagnostic methods	39
26	Development of RRDR for trans ganga plain region	40
27	National campaign on Amruta for life (Tinospora cordifolia)	42
28	Gastroprotective activity of Indukanta Ghritam.	44
29	Antipyretic activity of Sanjivani Vati	45
30	Immunomodulatory & anti-oxidant activity of Shilajatu.	46
31	Anti-oxidant & lipid peroxidation activity and adaptogenic activity	47
32	Pharmacognostical, Phytochemical & nutrient profile of Gojihva Launaea nudicaulis (L.) Hook f. and it's in-vitro antidiabetic activity (alpha amylase) inhibition.	48
33	"Pharmaco-epidemiological survey to observe the pattern of use of Classical Ayurvedic Herbs used along with the conventional antidiabetic medicine in type II Diabetes Mellitus and Preclinical study for Herb-Drug Interaction of Topmost unexplored plan	49

OFFICE ORDER

As per the directions of Competent Authority, under the clause 4.9 of MoU with National Institute of Food Technology Entrepreneurship and Management, Sonapat, Haryana in Students Exchange Program, two students were mutually agreed to increase the competency of PG Scholars.

Hence, 2nd Year P.G scholars i.e. Dr Geeta and Dr Pratibha from Department of Swasthavritta & Yoga are posted for one month at NIFTEM from 6th June, 2022 to 5th July, 2022. We request the experts of NIFTEM to guide them in their Food Product Development Research Project.

During this period, students will be bound by the rules and regulations of both the institutes NIFTEM and AIIA. Their accommodation is subject to availability at NIFTEM.

OFFICE ORDER

Consequent upon approval of Institutional Review Board (IRB) and Institutional Ethics Committee (IEC), research projects of All India Institute of Ayurveda, New Delhi (AIIA) in collaboration with India Institute of Technology, Delhi (IITD) listed at Annexure-A are hereby sanctioned.

2. Name of faculties from AIIA and IITD mentioned against the sanctioned research projects at Annexure-A are the Principal Investigators concerned project.
3. In accordance with approval of Standing Finance Committee (SFC) of the Institute and as per the terms and conditions mentioned in MoUs with IITD for this purpose, payment of AIIA contribution towards these research projects will be made from the sanctioned budget of AIIA for the Financial Year 2020-21 and 2021-22 as per the details mentioned in the list enclosed at Annexure-A.
4. All the Principal Investigators from AIIA will ensure that their project should be started from 04th January 2021 (Monday) in coordination with the Principal Investigator from IITD.
5. Principal Investigators will ensure preparation of the detailed project dossier incorporating timeline work plan, detailed budget, ICF and CRF (in case of clinical trials) and submission of the same to the IRB/IEC within prescribed time limit.
6. Principal Investigators will ensure timely reposting of the progress along with quarterly progress report and results of their project to the Division of Translational Research & IRB, IEC and any other regulatory committees in both the Institutions as per the relevant prescribed procedures and preparation of draft report and final report of the project within the stipulated time limit for onward submission to the Chairman, Division of Translational Research & IRB. They will also ensure registration in CTRI, periodical updating and finalization without comes in case of clinical trials.
7. Principal Investigators will ensure completion of all the formalities for release of budget of the project and proper documentation of the administrative and purchase related works, as per the guidelines issued by Govt. of India in this regards and after completion of the projects to settle the account with Utilization Certificates.
8. Principal Investigators will be responsible to ensure proper communication with the partner institution regarding project related matters with prior approval of the Competent Authority.

Annexure I

STUDY TITLE: Ashwagandha for the Prophylaxis against SARS-CoV-2 Infection
Randomized Hydroxychloroquine Controlled Clinical Trial in Health Care Providers

Terms of Payment:

1. Fixed Cost as Investigators includes both **Investigator- PI and Co-PI** fees with **Pharmaceuticals Limited, India** will pay maximum up to **Rs. 12,000/-** per patient upon achieving the below milestones.

Milestone	Payment
Baseline- Visit 1	1000
Visit 2	3000
Visit 3	3000
Visit 4	3000

2. Maximum up to **Rs. 2000/-** per patient will be paid to **Site Coordinator** as per the below milestones.

Milestone	Payment
Screening - Visit 1	500
Visit 2	500
Visit 3	500
Visit 4	500

3. Patient compensation will be provided **Rs. 750/-** per visit per patient.
4. Administrative cost (for stationary, courier, telephone, fax, internet) will be paid **Rs. 10,000/-** for entire study.
5. Study medications will be provided by sponsor through Cadila CRO. (As mentioned in protocol)
6. As per new regulations, GST is applicable over and above of total budget.
7. Screen failure charges will be paid **Rs. 500/-** to Investigator with laboratory charges on actual basis not exceeding as per below table of laboratory charges, per screen failed patient up to a maximum of 10 % of enrolled subjects.
8. Laboratory charges will be paid as per actual upon submission of original bills or as per the below milestones whichever is lower.

Sl No	Visit	Test Name	INR
1	Baseline	CBC, LFT, RFT, Blood Sugar, Urine Routine, C-Reactive Protein, Nasal and throat Swab, Serum for IgG and IgM for COVID 19, Lipid profile and UPT, ECG	5950

- Visit : Nasal and throat Swab
 Visit : Nasal and throat Swab
 Visit : CBC, FUL, RFT, Blood Sugar, Urine Routine, C-Reactive Protein, Nasal and throat Swab, COVID-19 specific Serum for IgG and IgM, Lipid profile, ECG

9. Reimbursement of related Adverse Events/SAE, medication management cost on actual as per DCGI Guidelines. In most situations where AE/SAE is prima facie unrelated, medical management cost will not be paid unless meeting all criteria of detailed DCGI guidelines.
10. 15 % institutional Over Head will be applicable on PI fees only.
11. Rs. 50,000/- will be given for archiving the documents for 15 years.
12. Tax Deduction at Source (i.e. TDS) will be applicable on all payments made to sites as it is a statutory requirement. In case the no or lower tax is to be deducted than respective Sites will have to provide certificate of "Lower deduction of tax" or "No Deduction of tax" received from Income tax Authority.

Investigator has to complete below information:

Payment Cheque required in favour of/payable to:

"All India Institute of Ayurveda"
 Account No.: 36576361067
 Bank Name: State Bank of India
 IFSC Code: SBINOO16106

Address where payment Cheque would be sent:

	Total budget	10,67,000/-

(Rupees Ten Lakhs Sixty Seven Thousand Five Only)

2. The Approval of Competent Authority is also conveyed to release of Rs.39,52,040/- (Rupees Thirty Nine Lakhs Fifty Two Thousand Forty Only) as a contingent advance to Director (Institute), CARICD, New Delhi for onward transmission to collaboration institutes to cover the expenditure for financial year 2020-21 and for execution of the project and to procurement of trial formulation as per details given below.

Table-VIII: Details of the budget to be released for the period of 5 months to CARICD, New Delhi

		(In Rs.)
Name of participating centres	Responsibilities	Budget
AIIA, New Delhi	Recruitment of participants	Rs. 7,09,200/-
ILBS, New Delhi	Laboratory investigations and gut microbiota profile	Rs. 21,75,840/-
CARICD, New Delhi	Recruitment of participants	Rs. 10,67,000/-
Grand total		Rs.39,52,040/-

* The budget mention in above table-VIII is to be expending by 31.03.2021 and any unspent balance on 31.03.2021 will be deducted in next installment.

3. Terms & Conditions:

- The project will be executed in accordance with CCRAS Research Policy. The Fund provided to the institute will be spent strictly on the project components in the mechanism followed by the Council normally and Head/In-charge will provide the fund as per requirement from the PI from time to time. No diversion of funds from one component to another be done without the prior approval of the competent authority.
- The progress of this project should be reported on monthly, quarterly and annual basis in the prescribed format (Annexure -6 of CCRAS Research Policy) and the collaboration institute may share the same with CARICD, New Delhi for submission to CCRAS, Hqrs.

- 4th 9
3. The final report of this project should be sent in the prescribed format (Annexure -7 of CCRAS Research Policy) within two weeks from the date of completion of the project.
 4. Release of funds and operation of accounts shall be as per clause no.1.5.11 (iii) of CCRAS Research Policy. Remaining Part of the first instalment will be released after request from P.I through CARICD, New Delhi. Second Instalment will be released after submission of interim progress report, statement of expenditure of 1st instalment by Institute In-charge.
 5. The institute will submit quarterly expenditure statement along with the progress reports regularly as per format (Please refer clause no. 1.6.3 of CCRAS Research Policy) for midterm evaluation.
 6. AIIA, New Delhi; and ILBS, New Delhi will furnish the final utilisation certificate for the project to the Council through CARICD, New Delhi along-with expenditure details to immediately after completion of the project work and should refund the unspent balance to the Council's specific amount within one month of completion of the project. A monitoring committee, with representation from all collaborating institutes shall monitor the project on a quarterly basis.
 7. The final utilisation certificate for the project along with expenditure details may be furnished to the Council immediately after completing the project by CARICD, New Delhi. The unspent balance should be refunded to the Council after completion of this project. After receiving the budget CARICD, New Delhi is requested to initiate the process of drug procurement in consultation with drugcell at CCRAS, Hqrs. and AIIA, New Delhi.
 8. The Institute/Principal Investigator/Co-Investigator shall maintain separate register to record all the expenses related to the project along with interest for audit purpose.
 9. The expenditure for the project is to be incurred as per the principles in General Financial Rules 2017 under "Procurement of Goods and Services".
 10. Original bills/vouchers/registers etc should be kept at the institute in safe custody for audit purpose.
 11. Except in exceptional cases, the tenure of a project will normally be as indicated in the research protocol.
 12. The project should be executed after fulfilling all ethical/statutory/regulatory requirements.
 13. The observations derived from these studies will not be communicated to any other party without Council's permission.
 14. The Council reserves full right to issue guidelines to terminate the project during the course of the study (Please refer clause no. 1.9 of CCRAS research policy).
 15. Duration of the project will be three years. (36 Months)
 16. Ceiling of each head may be changed as per need with prior approval of DG, CCRAS.
 17. Assets acquired on the basis of the project should be properly accounted in asset register. On completion of the project, the same may be entered in the stock register of the institute referring as "Acquired under specific project".
 18. Publication of the research outcomes of this project will be shared jointly by all the stake holders to be co-ordinated by the CCRAS after completion of the project and submission of the final report. All the Investigators/Project Coordinators/Nodal Officer/Programme Officer will be given the credit of authorship for the duration of five months only.
 19. Being the coordinating institute, CARICD, New Delhi has to furnish the SoE, revalidation request of unspent balance along with the interim UC and annual report of first year in the subsequent year. For release of subsequent instalment, the request should be made along with UC/SoE.
 20. The CTRI registration will be done by AIIA following IEC approval.

The expenditure is debitable to the Grant-in-Aid Budget of HQs, CCRAS for the year 2020-21 under sub-head "Research Activities".

The Director,
All India Institute of Ayurveda,
Sarita Vihar,
New Delhi-110076

Respected Mam,

I, Dr. Devika Singh, 2nd year PG scholar, from Dept of Dravyaguna, All India Institute of Ayurveda, New Delhi have been assigned a thesis work entitled as "Evaluation of Cytotoxic activity of *Gojihva* (*Launaea nudicaulis*(L.) Hook.f.) on Breast cancer (MCF-7) and Cervical cancer (HeLa) cell lines." under the guidance of Dr. Shivani Ghildiyal. I have to perform my cell line study at NICPR, Noida due to unavailability of cell lines at our institute. Kindly grant me permission to visit NICPR to conduct my study in April. I shall be thankful to you.

Yours sincerely,

Dr. Devika Singh
2nd year PG Scholar.
