## IQAC mechanism

Date - 2/06/2022

The institution has formed an Internal Quality Assurance Cell (IQAC). The cell constitutes head of the institute as the chairperson, one senior teacher is appointed as coordinator and representatives from management, teachers, students, aluminee, industrialist, eminent academition from other institute.

The IQAC maintains the quality of academic and administrative activity through various commitees. The formation was institutionalized through formal office order of the Institute. The Institute's existing policies on academic and administrative systems in respect of process of teaching learning and evaluation system, level of satisfaction for academic performances, faculty recruitment and training / qualification enhancement, are of high standard.

The Internal Quality Assurance Cell (IQAC) of the institute has been trying to develop a system for conscious, consistent and catalytic action to improve the academic and administrative performance of the institution and to promote measures for institutional functioning towards quality enhancement through internalization of quality culture and institutionalization of best practices.

Following are the major contributions of IQAC:

Development of Smart Classroom Facility in all the departments LAN connectivity encompassing the entire college.

Development of LMS. Conduction of FDP, ICT training programmes.

Installation of Clinical skill laboratory. Sensitizing quality assurance policies, mechanisms and outcomes to the various internal and external stakeholders by teaching and non - teaching members, general meetings, notices, college Website and through Alumni meet, parent teacher meeting.

Enriching the Library through establishment of tie ups and subscription
