Implementation of Annual Action Plan 2021 RNVV

Note # 1

In reference to the implementation of the Annual Action Plan for the Department of Roga Nidan, as per the discussion and directions of Competent Authority, a **two days CME** on **Basics and Clinical Applications of Radiology** has been planned for the scholars of the institute for Radiology training in Jamia Hamdard in coordination with **Dr. Abhinav Jain, HOD, Radiodiagnosis, Hamdard Institute of Medical Sciences & Research (HIMSR) at Hamdard Nagar in New Delhi.** the discussions were done through email to finalize the program (Attached email PDF)

Radiology training is essential for the participants to aid in correct clinical diagnosis and interpretation and in improving the clinical accumen of the consultants and to interpret the research results. It is very essential to all the departments scholars.

Hamdard Institute of Medical Sciences & Research (HIMSR) at Hamdard Nagar in New Delhi is an ambitious project of Jamia Hamdard aimed at furthering its scope in the life sciences and health domains and providing quality healthcare at an affordable cost. Deemed as a Self-financing, Unaided Private Institute, HIMSR is affiliated to Jamia Hamdard, New Delhi. Jamia Hamdard is awarded with Deemed University status and NAAC A Accredited.

The dates finalized for the CME are **8th and 9th of October, 2021 in Jamia Hamdard.**

Viewing the best interest of the scholars and the reduced number of COVID cases, it is proposed that the CME will be **conducted physically in Jamia Hamdard** following COVID appropriate behavior.

The **cost of the training is intimated as Rs. 1000/- head** which includes tea-snacks, working lunch, basic training material arrangement, arrangement of resource for the lectures.

It was proposed to conduct this CME for about 130 - 150 people. However as per the **list of scholars and faculty nominated by the department the total number is 119 . (List attached) .**

The total cost of CME for 119 people will be Rs. 119,000/- (One lakh nineteen thousand only).

As per the telephonic communication, it has been informed that **30% of the amount has to be paid in advance** for the printing of basic reading material, arrangement of foods, snacks etc. which amounts to **Rs. 35,700/- only.**

The account details and cancelled cheque for the payment are attached.

Timely Conveyance facility will be required for taking the scholars to and back from **Jamia Humdard for the two days**, the approximate cost of which will be about **Rs. 75,000/-** for the above mentioned numbers.

The file is submitted please for **financial and istrative** approval.
If accorded approval advance payment of Rs. 35,700/- may be made and facility for conveyance needs to be arranged for the smooth conduction of the program.

Submitted please.

REPORT OF CME-CUM-ORIENTATION PROGRAMS ON BASICS OF BLOOD TRANSFUSION

DATE: 30.09.2022

A CME-cum-orientation program was organized by department of Roga Nidana Evum Vikriti Vigyana in coordination with Blood Centre, AHA on 30/9/2022 from 2:30 PM in the Mini-auditorium, on the introduction of the basics of Blood transfusion for all the PG and Ph.D. scholars.

Three lectures were organized in this regard to cover the various aspects of blood transfusion as below-

Lecture -1 Miss Ritu Bhardwaj, Supervisor blood centre AHA

Lecture -2 Dr. Sarita Kumari, Consultant (pathology), AHA

Lecture -3 Dr. Aditya Dixit, Intensivist, ICT, AHA

In the first lecture, Miss Ritu Bhardwaj gave brief introduction about the requirements of form filling and the basics of transfusion. She elaborated about types of blood grouping, methods used for blood grouping, reverse blood grouping and also gave briefing about the instruction before sending blood requisition form.

Session 2 was on the topic, Basics of blood grouping and cross matching delivered by Dr. Sarita Kumari, Consultant (Pathology) AHA. She gave brief introduction why blood donation is important, cross matching of blood, eligibility guidelines for blood donation, proper method for storage of donated blood and its hazards.

In the third lecture, Dr. Aditya Dixit deliberated on post-transfusion reactions and their management. He gave briefings about the history of blood transfusion, pre-transfusion testing, transfusion trigger, complications, interventions, preventive measures of blood transfusion and documenting blood transfusions.

The lectures were very informative as per the inputs from the participants and was associated with question-and-answer session.
