Dear Dr. Manchanda,

As you are aware that All India Institute of Ayurveda (AIIA) is having super-specialty referral hospital under the Aegis of Ministry of AYUSH, Govt. of India and has started functioning from its new Building.

In monthly review meeting of National Institutes held on 2<sup>nd</sup> Dec. 2015 and in other meeting held on 23.12.2015 wherein a discussion was held on Integrated AYUSH Hospital under the Chairmanship of Secretary AYUSH. In both the meetings, Secretary desired to establish 'Integrated AYUSH Clinics in all National Institute. Presently, Institute is providing OPD facility in different streams of Ayurveda and going to commence IPD facility from January 2016. It will be my pleasure, if your esteem organization could share and provide other medical facilities in Homeopathy, Sidha and Unani under AIIA's umbrella.

In this regard, to provide maximum medical facilities to general public, Institute hereby allot two days in a week on regular basis wherein you may depute following staff in the OPD of AIIA;

1. One Clinical Expert
2. One Pharmacist and
3. One Attendant

For smooth functioning and proper disbursement of medicines, please assure the availability of medicines in the stock of AIIA pharmacy. Your early action will be appreciated as we are planning to start Integrated AYUSH Clinics in the month of January 2016.

To begin with this unique small effort, I am confident that Institute would serve the public in a better way by participating intra-AYUSH referral system. In future, Institute may expand the facilities as per requirement and response from general public.

Warm regards & Happy New year

Yours sincerely,

(Prof. Abhimanyu Kumar)
