Ministry of Ayush

Approved Minutes of the 1st Project Sanctioning Committee meeting for Central Sector Scheme of Ayush Oushadhi Gunvatta evam Utpadan Samvardhan Yojana (AOUGSY) Scheme

The first meeting of the Project Sanctioning Committee meeting (PSC) for AOUGSY Scheme was held under the chairmanship of Shri Rajesh Kotecha, Secretary (Ayush) on 09.03.2022 at 12 noon through video conferencing .List of participants is annexed.

At the outset , Dr Anand Gudivada, Advisor (Ay) Ministry of Ayush welcomed the Chairman and the members of the committee and thereafter briefly described about the background of first PSC meeting under AOUGSY scheme.

Dr Galib, Nodal officer for NPVcc, AIIA appraised the committee about the activity and achievements of Pharmacovigilance program held in the last two years. A brief note on existing structural hierarchy of pharmacovigilance centers was presented highlighting the synoptic statistics of reported misleading advertisements in these centers in the last six months and the awareness programs conducted under the scheme . The Chairman opined the need to outreach OPD's of the existing hospitals for sensitizing general public using IEC material about the ongoing program and that the National Commissions of respective system of medicine may be involved in this task.

(Action: AIIA to contact Chairperson NCISM and NCH for wider publicity).

In this context, DG-CCRAS has informed that awareness program is likely to be conducted in the last week of March, 2022 at Jamnagar to the State authorities and Print Media. The Committee suggested that awareness program needs to be given to electronic media also so as to sensitize them regarding the misleading advertisements casted in the electronic media.

The Chairman also suggested to draw these statistics thus obtained into a published clinical study. Agenda-wise deliberations and recommendations were made as under:

2. The meeting started with welcome and opening remarks from Advisor (Ayurveda), Dr. D. C. Katoch providing background of the implementation progress of the Central Sector Scheme of Pharmacovigilance of ASU &H drugs since its inception on December 2017, disbursement of funds to All India Institute of Ayurveda and summary of the activities undertaken so far at National, Intermediary and Peripheral Pharmacovigilance Centres and the recommendations of the previous PAC meeting held on 24th May, 2019. Additional Secretary, Sh. P. K. Pathak expressed the concern that Audited UC in Form 12-A as per GFR , Expenditure Statement etc are required from AIIA/NPvCC to liquidate the grant funds released in 2017-18 and 2018-19 and settle the accounts.

3. It was informed that 137 ADRs (from January to June 2019) and 1426 instances of Misleading Advertisements (from August 2018 to April 2019) have been reported by the NPvCC and Ministry wrote letters to 15 State AYUSH Licensing Authorities, Editors of News Papers, Manufacturers 'Associations etc for taking necessary action in respect of misleading advertisements found violating the prohibitive provisions of the Drugs & Magic Remedies (Objectionable Advertisements), Act and Rules. In this regard, PSC endorsed the recommendations of last PAC meeting of 24th May, 2019; discussed the need of making swift and robust system of monitoring, reporting and taking actions and Chairman summed up the following directions-

- i. Letter head in the name of Pharmacovigilance Program should be used for reporting the instances of misleading ASU&H drug advertisements to the State Authorities.
- ii. Peripheral Pharmacovigilance Centres may be sensitized and their capacity built up about proper reporting of ADRs in the prescribed format with help from CDSCO.
- iii. Dedicated website of Pharmacovigilance i.e. www.ayushsuraksha.com shall be made interactive and more functional in respect of issuance of notices & reminders to manufacturers violating the advertisement norms and ethics and for maintaining data base of misleading advertisements of ASU&H drugs.

3. Thereafter, the agenda items were presented and considered by PSC as follows:-

(i) Agenda Item No. 01: Financial proposal for 2019-20.

The PSC considered the financial proposal for the year 2019-20 vis-a-vis the recommendations of the Project Appraisal Committee meeting held on 24th May, 2019. Approval was accorded to the proposal of Rs. 2,72, 25, 000 for release of funds as per the following details-

- a) Advance of Rs. 57.00 lakh already released to NPvCC on 11.06.2019 with the approval of Secretary and IFD on file for four months salary component of existing centres.

(iii) Agenda Item No. 03: Additional support at NPvCC

PSC considered the difficulties faced by NPvCC in handling grant accounts of the pharmacovigilance scheme for want of trained Accountant as explained by the. Director, AIIA Prof. Tanuja Nesari. After detailed discussions in the light of scheme guidelines for engagement of contractual manpower, the Chairman decided to extend required manpower support of Program Assistant provided for the Ministry by hiring suitable expert on contract at approved norms to work in the NPvCC.

(iv) Agenda Item No. 04: Revision of Salary of Recruited Manpower

PSC discussed the remuneration rates of Data Entry Operators appointed on contract in National and Intermediary Pharmacovigilance Centres vis-a-vis the scheme guidelines. Considering the need to comply with the minimum wages norms of the Government for contractual manpower and on the suggestion of IFD representative, PSC agreed to pay remuneration to the Data Entry Operators engaged under the pharmacovigilance program in accordance with the extant minimum wages norms.

Agenda Item No. 05: Revision of ToRs of Programme Management Unit to be recruited in the Ministry

PSC considered the proposal of revising the eligibility criteria of qualifications and experience for hiring the services of Programme Manager and Programme Assistant on contract in the pharmacovigilance scheme handling unit of the Ministry. It was recommended to process the matter on file for approval of the revised norms and concurrence of IFD thereto.

The meeting ended with vote of thanks to the Chair and PSC members.

Minutes of the 4th Meeting of Project Appraisal Committee (PAC) of AYUSH Pharmacovigilance Scheme held on 24th May 2019.

4th Meeting of the PAC of Pharmacovigilance Scheme was held under the Chairmanship of Shri P.K Pathak Additional Secretary on 24th May 2019 at 03:30 PM in the Ministry of AYUSH to review the progress of scheme implementation and appraisal of the proposals for the year 2019-20. Director AIIA and National coordinator of the Pharmacovigilance Scheme from NPvCC participated in the meeting. The list of participants is annexed.

2. The meeting started with welcome remarks from Dr D. C Katoch, Adviser (Ay.) and Head, Drug Control Cell and opening statement about the background of scheme implementation. The Chairman, Additional Secretary, Shri P.K Pathak in his remarks emphasized the need to fast track the reporting of adverse events of ASU&H drugs and instances of misleading advertisements and proactive performance of the pharmacovigilance centres in this regard by taking necessary actions in time bound manner. Subsequently, National coordinator of the Pharmacovigilance Program, Dr Galib presented the progress report and the agenda items were considered and discussed as under-

3. Agenda Item No.1: Minutes of the 3rd meeting of Project Appraisal Committee held on 2nd January, 2019 and Action taken report thereto.

PAC endorsed the minutes of the 3rd meeting of PAC held on 2.1.2019 and reviewed point-wise Action Taken Report. It was observed that CME programs have been conducted by all the intermediary centres, one advance training program organized at Indian Pharmacopoeia Commission, off late most of the peripheral centres started documenting ADRs and misleading advertisements, few centres were sluggish and yet to

recruit project staff. IEC materials developed and structural inputs of the pharmacovigilance website have been compiled after obtaining domain name from IPGTRA, Jamnagar. PAC emphatically pointed out the objective of streamlined implementation of the scheme for specified outcomes and recommended the following-

- i) In future PAC meetings, heads of Intermediary PharmacovigilanceCentres may also be called to present periodic progress reports.
- ii) The online portal www.ayushsuraksha.com should be consolidated shortly and operationalized within a month uploading IEC materials and reported instances of misleading advertisements and providing link with the AYUSH Ministry's and CDSCO's websites.
- iii) A brief note of progress of pharmacovigilance initiative along with IEC material may be sent to WHO Country and Regional Offices.
- iv) Warning may be issued to the non-performing peripheral centres for their closure, if they fail to recruit the project staff soon and undertake the intended work of pharmacovigilance and reporting of misleading AYUSH advertisements. Such centres are-CBP Ayurveda CharakSamsthan, Delhi; Govt. DhanwantariAyurved College Ujjain; Ayurveda Department of Institute of Medical Sciences, BHU, Varanasi (Ayurveda); Pt. Khushilal Ayurveda College, Bhopal; Campus Ayurvedic College of Rajasthan Ayurveda University, Jodhpur; MMM Ayurveda College, Udaipur; andGovt District HQ Hospital (Siddha Wing), Trichy.
- v) NPvCC i.e. AIIA may at the earliest submit consolidated Expenditure Statement and UC along with achievement cum performance report to settle the grant accounts.

- vi) Trainings on AYUSH pharmacovigilance program may be clubbed with the training programs conducted by DCC and NMPB for the State regulatory personnel and other stakeholders.

4. Agenda Item No.2: Progress of implementation of Pharmacovigilance Scheme

Coordinator of NPvCC explained the functionality status of 43 PPvCs and program implementation as under-

i) Functional Status of peripheral centres:

System	No. of Approved Peripheral Centres	Functionality	Status of Recruitment of Staff
Ayurveda	19	All centres are functional	Six centers are yet to recruit project staff.
Siddha	11	One centre- ATSVS Govt. Siddha Medical College. Kanyakumari not functioning.	One center is yet to recruit the project staff.
Unani	06	One centre- RRI, New Delhi not functioning properly due to manpower issue.	Two centers are yet to recruit the project staff.
Homoeopathy	07	All centres are functioning.	Recruitment of project staff done at all centers.

- 409
- ii) 88 ADRs and 1485 cases of misleading advertisements of ASU&H drugs have been reported till 24th May, 2019. Also the meetings of the Steering & Monitoring Committee and Technical Advisory Committee held at AIIA.

In view of the need to expedite effective implementation of the pharmacovigilance initiative, PAC recommended following actions-

- i) Make all the existing PPvCs functional by issuing warning and bring the non-responsive centres to the notice of the Ministry.
- ii) NPvCC may regularly provide necessary details and copies of the reported misleading advertisements to the Ministry so that the same could be taken up with the concerned State Authorities and individual manufacturers/advertisers.
- iii) Preferably every State/UT should have minimum one PPvC of AYUSH and the existing centres need to be fully equipped and functional before new centres are considered for addition in the pharmacovigilance network.
- iv) A compact module of Pharmacovigilance initiative of ASU & H drugs and control of misleading advertisements may be prepared for inclusion in the CME programs funded by the Ministry of AYUSH and for distribution to AYUSH institutions.
- v) Report and recommendations of the Steering and Advisory Committees may be shared with the Ministry for information and consideration of action points.

5. Agenda Item No.3: Approval of New Peripheral Pharmacovigilance Centres

PAC observed that earlier 18 additional centres were approved for funding, but their names & addresses were not known. NPvCC coordinator presented the list of 21 identified PPvCs and PAC recommended them for taking approval of the Project Sanctioning Committee as under-

Minutes of 7th Project Appraisal Committee Meeting of Pharmacovigilance Scheme virtually held at 2:30PM on 31.5.2021

7th PAC Meeting was held virtually under the Chairmanship of Shri P K Pathak, Special Secretary (SS), Ministry of Ayush on 31st May 2021 at 2:30 PM to review the progress of Pharmacovigilance scheme implementation. List of the participants is annexed.

The meeting started with welcome remarks by Dr J.L.N.Sastry, I/C Drug Control Cell followed by opening statement about the background and status of scheme implementation. The Chairman, in his remarks emphasized the need to hold the meeting of PAC on quarterly basis and implement the Pharmacovigilance activities in effective manner etc. He expressed his displeasure on poorly framed Agenda Items and directed NPvCC to exercise due diligence in preparation of Agenda items.

Thereafter, agenda-wise discussions proceeded as under-

Agenda Item No. 01: Confirmation of the Minutes of the 6th Project Appraisal Committee (PAC) Meeting held on 12th January 2021 and Action taken report thereto.

Minutes of the 6th PAC meeting held on 12th January, 2021 were confirmed. However, it was suggested by the Chair that the minutes are to be circulated among the committee members before finalizing their inputs, if any. Dr. Galib informed that there are 74 Peripheral Centers functioning across the country in majority of States/UTs. Program Assistants have been recruited in maximum of these centers and functioning in lines of the objectives of the program. PAC also noted the action taken report of previous recommendations and discussed the functional status of the Peripheral Pharmacovigilance Centres. In this regard Chairman, PAC specifically directed as under:

1. Pending UCs of Rs. 27.35 Lakhs from Financial Year 2019-20 should be settled within a 7 days.
2. Reporting of suspected Adverse Drug Reaction should be specific and to be augmented.
3. NPvCC should make it sure that the untied funds are being utilized as per the guidelines issued for the same. Chairman, PAC further directed that this should be taken as separate Agenda Item in the next meeting.

4. Details of publication by the Pharmacovigilance centres should be specific. Accordingly, details of publications by the pharmacovigilance centres are as follows:

National Pharmacovigilance Coordination Centre:

- i. *Ancient wisdom of Ayurveda vis-à-vis contemporary aspect of Materiovigilance* in association with DCC, Ministry of AYUSH and IPC, Ghaziabad submitted to JAIM (JAIM-S-21-00442)
- ii. A chapter *Pharmacovigilance for Indian Traditional Medicine* in association with IPC, Ghaziabad being published by SPRINGER Publishers, coordinated by University of Auckland
- iii. Invited article entitled *The challenges of implementing Pharmacovigilance in AYUSH Systems of Medicine* in a Commemorative Volume of 150th Birth Anniversary of Vaidya PS Varier Celebrations
- iv. Virtual workshop on Pharmacovigilance (PV) for Traditional Medicine (TRM) Products in the WHO South-East Asia Region (<https://apps.who.int/iris/handle/10665/340711>)
- v. Activity Report of Pharmacovigilance Program -upto June 2020

Intermediary Pharmacovigilance Centre - Jamnagar:

- i. KAP Study on the Pharmacovigilance concepts in the stakeholders of Gujarat

Intermediary Pharmacovigilance Centre - Jaipur:

- i. Impact of AYUSH Pharmacovigilance on Misleading advertisements.
- ii. Suspected ADRs in AYUSH Pharmacovigilance - Experiences of an Intermediary Pharmacovigilance Centre

Agenda Item No. 02: Status Report of System wise ADRs, Misleading Advertisements, COVID-19 Advertisements and awareness programs.

Dr.Galib provided information about the functioning and reporting culture and mentioned the reporting of 735 suspected ADRs, 13722 misleading advertisements and 184 COVID related misleading advertisements till date. However, during the reporting period of January to April 2021, he mentioned that the centres reported 128 suspected ADRs, 3038 misleading advertisements and 13 COVID related misleading advertisements.

In addition, it has also been mentioned that 1978 stakeholders from different sectors have been sensitized about Pharmacovigilance related aspects in 25 awareness programs during the reporting period.

Details of system wise ADRs Misleading Advertisements and COVID-19

Advertisements

	System	Number of IPvCs	Number of PPvCs	Number of Suspected ADRs		Misleading Advertisements		COVID-19 related Misleading Advertisements	
				Jan to Mar 21	April 21	Jan to Mar 21	April 21	Jan to Mar 21	April 21
1	Ayurveda	02	35	49	09	1607	337	4	9
2	Siddha	01	14	14	-	0223	-		
3	Homeopathy	01	13	31	00	0244	036		
4	Unani	01	11	23	01	0454	137		
5	Sowa-Rigpa	-	01	01	-	-	-	-	-
	Total	05	74	118	10	2528	510	4	9
				128		3038		13	

Dr Galib further said that about 62% of the received suspected ADRs are in POSSIBLE category, when preliminarily analysed following Naranjo's algorithm. He further emphasized that this finding is aligned with previous studies demonstrating that Casualty assessment results are often categorized as POSSIBLE, which is difficult to interpret clinically. In addition, about 29% are PROBABLE categories; while about 7% reports were incomplete and were unable to be analysed. About 87% of these suspected reactions were observed to be MILD in nature, while remaining were moderate. However, none of these reports are serious. None of the reactions required hospitalization, no fatality was noticed. All reports were non-serious in nature.

Chairman, PAC asked about the action taken and followup actions on the misleading advertisements reported. Dr.Galib informed that from January 2021 to April 2021, 3038 instances of objectionable advertisements were reported by centers to respective SLAs. About 64% of such advertisements were from Ayurveda, while 20%, 9% and 7% is shared by Unani, Homoeopathy and Siddha systems respectively. There are about 85 advertisements on which action has been taken by the State Licensing Authorities (SLAs) and majority of these are from NIA, Jaipur. Chairman, PAC directed, that respective PPvCs should send reminders to SLAs (enclosing the details of misleading advertisements) with a copy to Drug Policy Section, Ministry of Ayush to take actions on misleading advertisements.

Agenda Item No. 03: Presentation of Progress of the Pharmacovigilance

Scheme implementation by NPvCC and IPvCs:

Chairman, PAC directed in the PAC that a separate review meeting will be held in 2nd or 3rd week of June wherein NPvCC and IPvCC shall present the progress of implementation of the pharmacovigilance Scheme.

Agenda Item No. 04: Identifying New Centres:

A list of 24 centres has been submitted by NPvCC for possibility of designating as new Peripheral Centres. Chairman opined that in the current pandemic times, designating new centres may be considered later. After thorough assessment of performance of the existing centres, new centres may be identified on need basis.

Agenda Item No. 05: Communicating with CCIM for releasing advisories towards unethical practices by registered practitioners

It has been suggested that the NPvCC should directly communicate to CCIM to release suitable advisories against unethical practices by the registered practitioners. For such items, approval of PAC is not required.

Agenda Item No. 06: Releasing of News Letter

The agenda was discussed and suggested not to print the news letters. It was resolved in the meeting that digital version of news-letter should be released utilising the services of existing manpower..

Agenda Item No. 07: Revision of Pay Structure and nomenclature of the recruited man power

It was suggested to prepare a comprehensive agenda item justifying the proposed revisions and submit as a new agenda item in next meeting, keeping in view extant guidelines, their work profile and performance till now and pay structure of similarly placed employees in other Institutes/Schemes of Ministry of Ayush.

Agenda Item No. 08: Financial support facilitating the functioning

In the meeting Chairman appraised the budgetary provisions within the approved Scheme for FY 2021-22, whereas financial assistance for opening of designating new centres and recruiting administrative consultants was deferred considering the present pandemic situation. Further NPvCC was directed to resubmit the details of the break-up for various provisions as per

the approved scheme in accordance with budget allocation and the same should be reflected in the minutes.

Accordingly, the revised proposal for financial support for 2021-2022 is as follows:

Agenda No.2: Progress of implementation of Pharmacovigilance scheme

A. Physical progress including various activities

- In order to make the Pharmacovigilance centres functional, it was directed that recruitment process may be completed within two months by August, 2018. Also, monthly progress report of implementation of Pharmacovigilance programme needs to be submitted by the centres in the format which will be provided by the Ministry. Monthly reports should be emailed by 3rd working day of the succeeding month from PPvCC to IPvCC, by 6th day from IPvCC to NPvCC and 10th day from NPvCC to Programme Management Unit (PMU), Ministry of AYUSH.
- Awareness and capacity building programmes should be organised as per scheme guidelines. It was recommended that one page advertisement of Pharmacovigilance scheme may be made in journals of all National Institutes and Research Councils and Press release be given to Press Information Bureau (PIB) for dissemination through print & TV media. Also, Frequently Asked Questions (FAQs) may be made for the Pharmacovigilance programme and uploaded in the website.

B. Financial Implications

PAC observed that distribution of funds to the centres may not be considered as expenditure of the scheme. Time-lines need to be fixed for expending the funds and for submission of financial progress reports. It was recommended that monthly progress report from the centres must contain both physical and financial aspects of the implementation and proper expenditure statements be submitted on quarterly basis.

C. Appointment of Coordinators/Nodal Officers at Central, Intermediary and Peripheral centres

Appointment, information and contact details of Coordinators of all centres should be submitted by NPvCC to the Ministry soon.

Agenda No.3: Operational Framework for implementation of Pharmacovigilance Program

i. Formation of Committees for Pharmacovigilance Programme

The proposal of framing various committees for steering review, advice, monitoring etc of the pharmacovigilance programme was discussed in detail. Dr. Jai Prakash from IPC suggested that technical experts should be included in the Signal Detection & Causality Assessment

78
425
Committees. Accordingly, composition of the committees was decided on the basis of nature of inputs required from the experts and three committees as under were recommended as follows:

a) Steering & Monitoring Committee

1. Head, DCC, Ministry of AYUSH
2. Coordinator from NPvCC
3. Coordinator from IPvCC
4. Representative from CDSCO
5. Representative from IPC
6. Representative from PCIM&H

b) Technical Advisory Committee:

1. Chairman of Scientific Body of PCIM&H
2. Chairmen of APC, UPC, SPC and HPC.
3. Head, DCC, Ministry of AYUSH
4. Representative from IPC
5. Representative from CDSCO

3. Pharmacy expert of AYUSH system
4. Pharmacology/Toxicology expert

ii. Approval of protocol and Adverse Drug Reactions (ADR) reporting format

NPvCC coordinator informed that protocol and ADR reporting formats are to be finalized in consultation with IPC. PAC recommended that ADR reporting format named as Individual Case Safety Report (ICSR) of the Indian Pharmacopoeia Commission (IPC) may be adopted after making required modifications. Also, to finalize ADR reporting format, comments of technical experts may be taken within 10 days. Initially the ADR format should be in single language i.e. English.

iii. Development of Web portal of AYUSH Pharmacovigilance and Pharmacovigilance Library

It was decided for NPvCC to develop the AYUSH pharmacovigilance web portal to be installed in the website of Ministry of AYUSH and name it as *ayush-suraksha.com*. Web portal should contain complete details of all Pharmacovigilance centres i.e. Address & Contact Number,

email id of Centres/Coordinators; ADR reporting Format, Helpline number, e-library of related publications & guidelines and other relevant information. Online reporting of ADRs may be allowed only to ASU&H practitioners.

Agenda No.4: Requirement of grant for the financial year 2018-19

PAC observed that the funds released earlier have not been utilised by the NPvCC till now, the proposal of grants for the financial year 2018-19 at this stage may confine only for training programme, workshops etc and new peripheral centres.

Agenda No.5: Training programmes on Pharmacovigilance

The PAC recommended that schedule of training programmes and the topics may be finalized in consultation with IPC. Dr. Jai Prakash from IPC suggested to form a panel of experts for imparting pharmacovigilance related training. PAC agreed to the suggestion and directed NPvCC to prepare the list of experts from respective fields and institutions.

Agenda No.6: National Workshop on Pharmacovigilance Program

Drug Control Cell of the Ministry proposed to hold a national workshop involving participants from AYUSH institutions & industry associations. PAC agreed to the proposal of National Workshop on Pharmacovigilance to be conducted by Ministry of AYUSH and it was suggested to organize it in Delhi around December, 2018. Budget estimated for the workshop for about 100 participants may be worked out and included in the proposals to be taken up for approval of PSC.

The meeting ended with a vote of thanks to the Chair.

Minutes of 5th Meeting of Project Appraisal Committee held on 25. 6.2020, 11:00 AM.

5th Meeting of PAC was held online under the Chairmanship of Shri P.K Pathak Additional Secretary (AS), Ministry of AYUSH on 25th June 2020 at 11:00 AM to review the progress of pharmacovigilance scheme implementation and appraisal of the proposals for the year 2020-21. Director AIIA and coordinators of National and Intermediary Pharmacovigilance Centres (NPvCC and IPvCs) participated in the meeting. The list of participants is annexed.

The meeting started with welcome remarks from Dr D. C Katoch, Advisor (Ayu.) and Head, Drug Policy Section followed by opening statement about the background and status of scheme implementation. The Chairman, Additional Secretary Shri P.K Pathak in his remarks emphasized the need to hold the meeting of PAC on quarterly basis (last week of every quarter), steer the pharmacovigilance activities in effective manner and instructed NPvCC to submit UC, expenditure statement, remaining balance etc of the funds sanctioned in the 2019-20 by 15th July, 2020 to liquidate the grant accounts. It was reiterated the need to assess the performance of existing PPvCs in respect of ADR reporting and monitoring of Misleading Advertisements. Thereafter, agenda-wise discussions proceeded as under-

Agenda Item No.1- Confirmation of the Minutes of the 4th meeting of Project Appraisal Committee held on 24th May 2019 and Action taken report thereto.

Minutes of the 4th meeting of PAC held on 24th May, 2019 were confirmed since no comments received from any member. PAC also noted the action taken report of the previous recommendations and discussed the functional status of the Peripheral Pharmacovigilance Centres. National Co-ordinator Dr. Galib informed the house that 17 States/UTs are yet to have phramacovigilance centres and existing 62 PPvCs except that

of Banaras Hindu University, have appointed Program Assistants but reporting of ADRs, misleading advertisements is being carried out by the PPvC-BHU.

Agenda Item No. 02: Action Taken Report on the recommendations of the 3rd PSC:

Action Taken Report of the 3rd PSC held on 29th July, 2019 was presented in the meeting stating that an amount of Rs. 2.65 crore was released for pharmacovigilance activities in 2019-20. Discussing upon the method of fund transfer to the Peripheral Pharmacovigilance Centres, National Coordinator, Dr. Galib informed that funds to PPvCs are not being transferred through PFMS. In this regard, Chairman intervened that all the Pharmacovigilance Centers must be enrolled on the PFMS till **15th July** and funds should be transferred through PFMS only. It was informed that contract of the appointed DEO at NPvCC was renewed in April 2020 and after that salary is being paid as per the minimum wages norms. Regarding revision of ToRs/eligibility criteria of the Program Management unit (Program Manager and Program Assistant) to be recruited in the Ministry, Dr. D. C. Katoch, Advisor (Ay.) informed that due to constraint of space in previous office at AYUSH Bhawan and lockdown imposed due to COVID-19 outbreak, the file with the proposal of revised eligibility criteria has been submitted for getting approval of the Secretary (AYUSH)-Chairman PSC and thereafter would be forwarded for appraisal and concurrence of IFD. Recruitment process will be started after due approval of the same.

Agenda Item No. 3- Presentation of Progress of the Pharmacovigilance Scheme implementation by NPvCC and Intermediary Centres.

Dr. Galib, National Co-ordinator, NPvCC presented the progress of the Pharmacovigilance Scheme implementation and informed as under:

- Since January 2019, total of 416 Suspected ADR's (165 from Ayurveda, 61 from Siddha, 131 from Unani and 59 from Homoeopathy) have been reported till May, 2020. Causality analysis as per Naranjo Scale for reported suspected ADR's shows maximum reports in the probable category and a very few in the certain category.

Experts were nominated by the respective Central Councils of Homoeopathy, Unani and Siddha and from AIIA, New Delhi for the evaluation of Suspected ADR reports received. Evaluation of these reports in Homoeopathy and Siddha system was carried out at NPvCC, AIIA, New Delhi during December 2019. Evaluation of these reports in Ayurveda was carried in March 2020. Most of the reports were found to be non-serious and not directly related to the suspected drug.

- 6591 instances of misleading advertisements (4220 from Ayurveda, 1070 from Siddha, 728 from Unani and 573 from Homoeopathy) have been reported from August 2018 to May 2020 and 44 COVID 19 related misleading advertisements were reported in April 2020. Letters were sent to the editors of leading newspapers in Delhi by NPvCC citing misleading advertisements and urging them to stop publication of the same.

Thereafter, presentations were made by the Coordinators of the Intermediary Pharmacovigilance Centres. .

PAC raised concerns about underreporting of suspected ADRs and lack of follow up on the Misleading Advertisements escalated to State Regulators, Editors of the news papers and individual manufacturers. It was desired that NPvCC, IPvCs and PPvCs shall also send the reports through email on Misleading Advertisements to the concerned State Licensing Authority with a copy to State Health Secretary and Drug Policy Section of the Ministry and non-responsiveness or inaction of the State Regulatory Personnel on the reports of peripheral centres may be brought to the notice of Ministry. In this regard, Chairman, PAC directed to hold a special review meeting in the third week of July, 2020 involving participation and presentation from the NPvCC and IPvCs.

Agenda Item No. 04: Financial proposal for 2020-21(From June 2020 to March 2021-10 Months).

Dr DC Katoch and Dr Galib presented the financial proposal for the year 2020-21 and it was informed that total grant of Rs 5,23,36,587/- including Rs. 2,64,56,587 in 2019-20 had been released from the Ministry since February, 2018 under the pharmacovigilance scheme, out of which NPvCC and IPvC-IPGT&RA spent Rs. 4,78,45,519/-. and unspent balance of Rs 44,91,068/- is available as on date in the account of National Pharmacovigilance Coordination Centre. UC of Rs. 15,00,000/- released to IPGT&RA, Jamnagar in September,2019 for National Conference of Pharmacovigilance has been submitted and UCs liquidated except for the funds released in the year 2019-20. Details of year-wise release of grant and expenditure are as under:

Agenda Item No. 06: Adjudication/ Performance Evaluation of Active Pharmacovigilance Centres

PAC appraised the proforma prescribing assessment criteria to evaluate the functionality/ performance of Pharmacovigilance centres and made following observations:

- The assessment shall be done from the date of inception of particular Pharmacovigilance Centre supported under the Scheme.
- NPvCC will relook the proforma and make it available in the website of Pharmacovigilance for making entries in online/digital format only.

Agenda Item No. 07: Utilisation of Unspent funds of 2019-20 in 2020-21:

It was decided to recommend for deducting the unspent funds of 2019-20 from the grant of funds sanctioned for 2020-21 and to process the matter on file after obtaining consolidated statement reflecting details of pending amounts with NPvCC and IPvCs.

Agenda Item No. 08: Revision of Salary of Recruited Manpower:

This matter was not recommended considering the Covid-19 situation in the country and its financial impact.

Agenda Item No. 09: Publication of Annual Report 2019-20 for Pharmacovigilance Program

PAC pointed out that there is no need to publish separate Annual Report of pharmacovigilance scheme implementation as the outcomes and outputs of the scheme are covered in the Annual Report of the Ministry. However, NPvCC may bring out quarterly bulletin of ASU&H pharmacovigilance activities, achievements and events including monthly reporting of ADRs and misleading advertisements and upload them in the website periodically.

Agenda Item No. 10: Setting up of Pharmacovigilance cell at all ASU & H Colleges/ Research Institutes.

PAC discussed in detail the proposal of setting up pharmacovigilance cells in all ASU&H college hospitals. It was found to be a welcome suggestion but providing support through the scheme to all the colleges may not be feasible and sustainable. Since the NCIM Bill and NCH Bill are in the Parliament, so the proposal should be taken up for consideration after the Bills are enacted and Commissions are set up. Meanwhile, CCIM and CCH may be approached for inclusion of pharmacovigilance modules in the UG and PG teaching and ADRs reporting and monitoring of advertisements by ASU&H colleges.

The meeting ended with vote of thanks to the Chair.

Office Memorandum

Subject: Actions to be taken on the instances of misleading advertisements of Ayurveda, Siddha, Unani and Homoeopathy (ASU&H) Drugs and related services reported by pharmacovigilance centres - reg.

Ministry of AYUSH has implemented a Central Scheme for Pharmacovigilance of Ayurveda, Siddha, Unani and Homoeopathy drugs aimed at monitoring and reporting adverse drug reactions (ADRs) and misleading/objectionable advertisements appearing in the print and electronic media. In this regard, a three-tier network of National, Intermediary and Peripheral Pharmacovigilance centres has been established as enclosed to undertake surveillance activities about ASU&H drugs across the country. More pharmacovigilance centres are added to the network from time to time.

Since enforcement of the provisions of the Drugs & Cosmetics Act, 1940 and Rules, 1945 and Drugs and Magic Remedies (Objectionable Advertisements) Act, 1954 pertaining to ASU&H drugs and related services is vested with the State Governments, it is requested to all the State Licensing Authorities / Drug Controllers for taking cognizance of the cases/instances brought to their notice by the ASU & H Pharmacovigilance Centres and initiate necessary action against the defaulters and alleged manufacturers/advertisers. Action taken report on case to case basis may be communicated to Ministry of AYUSH via email dcc-ayush@nic.in and to the respective pharmacovigilance centre.
