

## PHARMACOVIGILANCE DETAILS

- **Provide weblink**

A website for “Pharmacovigilance Program for ASU & H Drugs” is functional since July 2019. It can be accessed at [www.ayushsuraksha.com](http://www.ayushsuraksha.com)

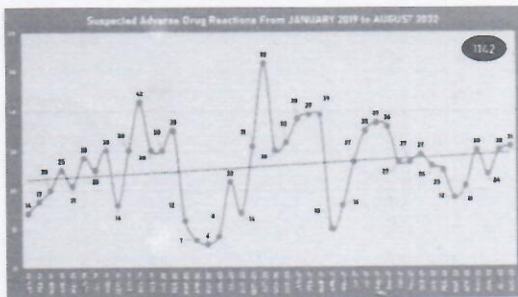

In addition to the information of the program, the website has provisions for online submission of Suspected ADR Reports and Reporting of Objectionable Advertisements.

- **Modes of ADR Reporting:** Suspected ADR reporting form was developed in consultation with IPC, Ghaziabad and the Ministry of AYUSH, New Delhi. The form was finalized by the Ministry in December 2018.

- Reporting can be done directly to any PPvC, IPvC or NPvCC :
  - In person
  - By post
  - By e-mail
- Uploading of Scanned ADR form is possible on [www.ayushsuraksha.com](http://www.ayushsuraksha.com)
- Filling the online version of ADR form and submission on the official website (<https://www.ayushsuraksha.com/suspected-adverse-reactions/>).
- **ADR FORM:** Available at [https://www.ayushsuraksha.com/upload/Reporting-Form\\_vs3.pdf](https://www.ayushsuraksha.com/upload/Reporting-Form_vs3.pdf)

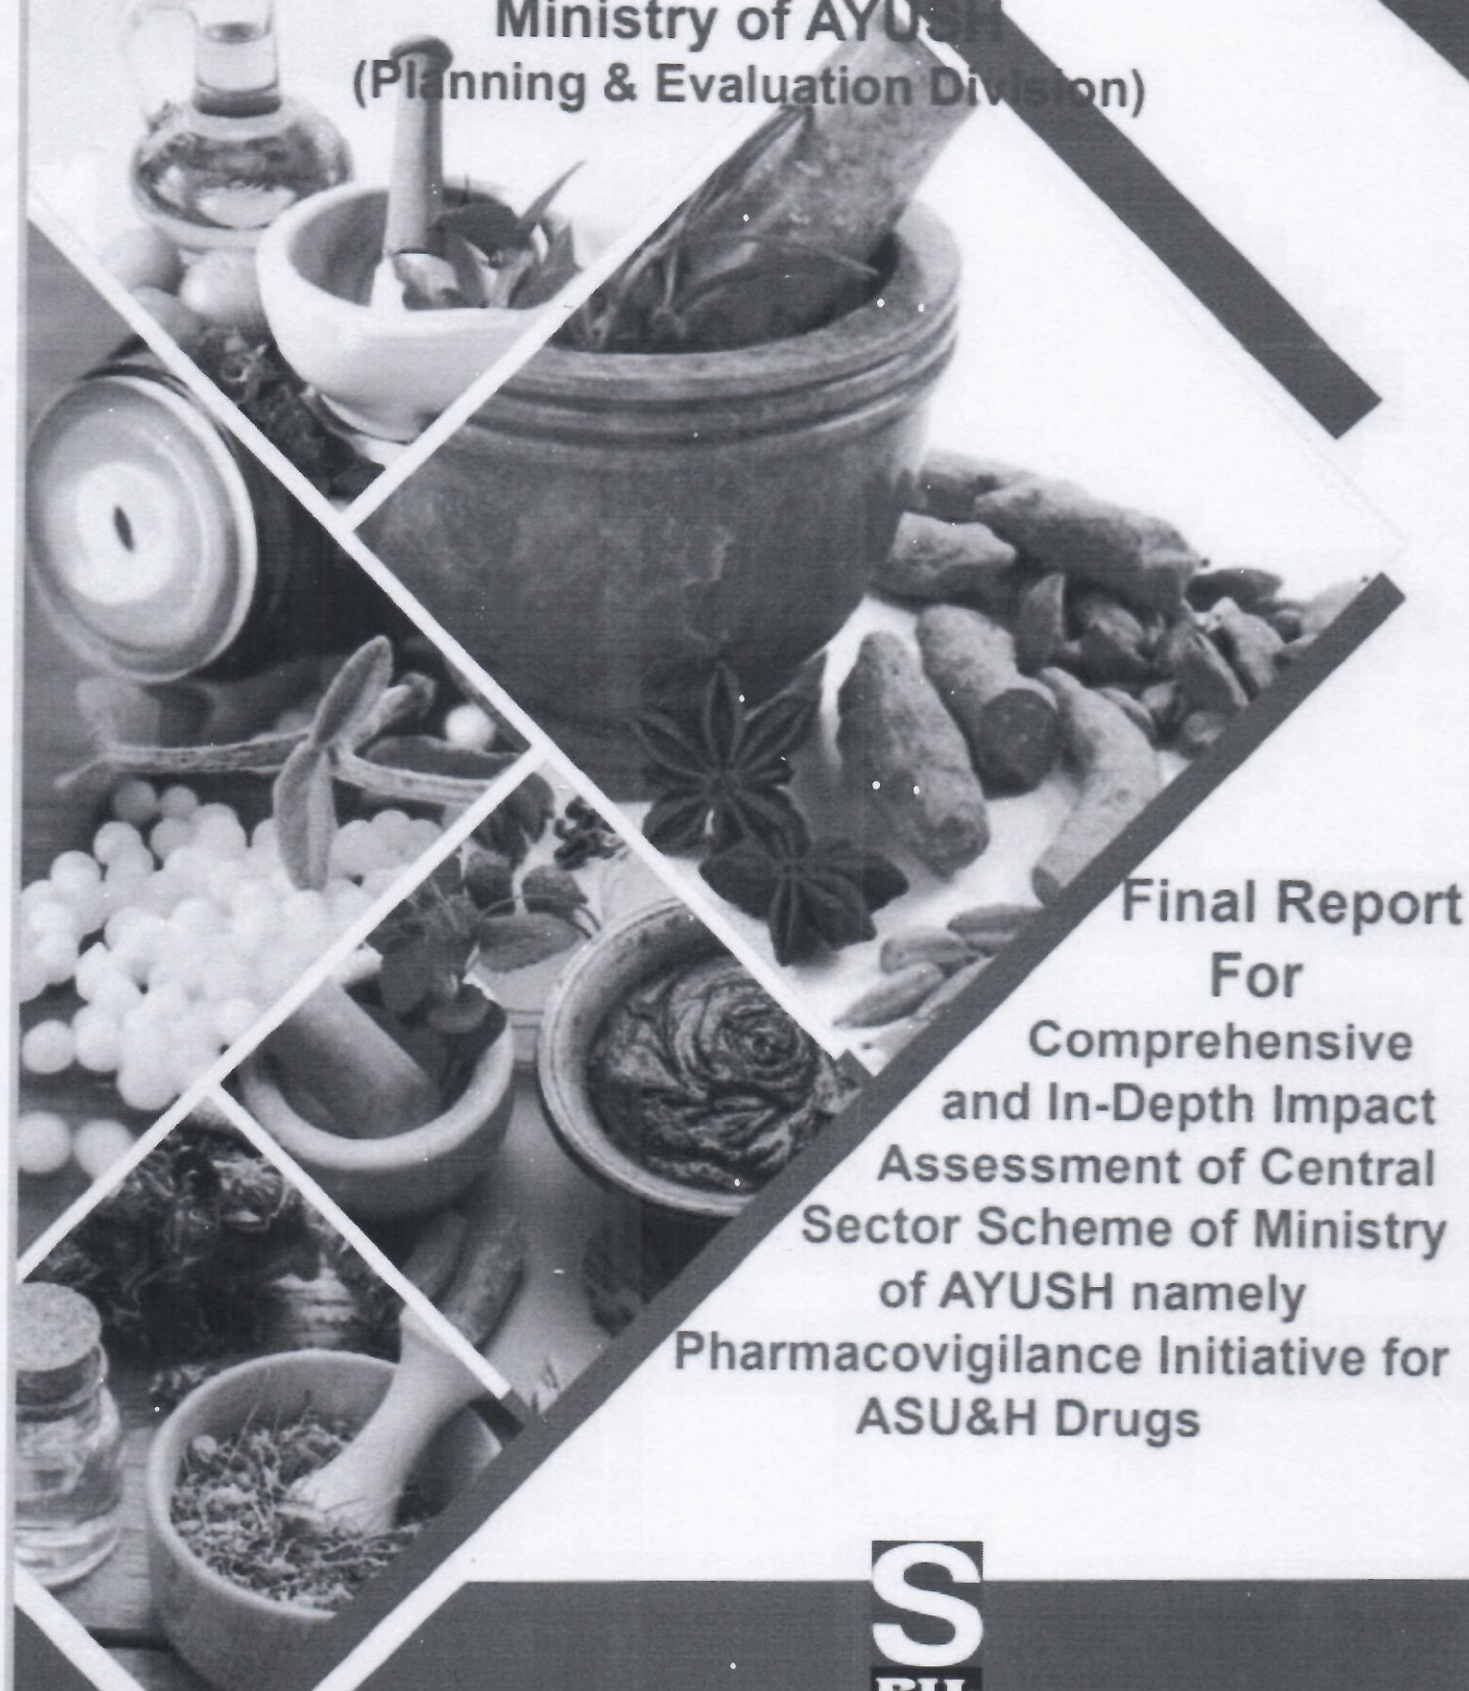

### SUSPECTED ADVERSE DRUG REACTIONS:

During the past couple of decades, safety concerns and debate in the scientific community have been raised on the possibilities of suspected adverse drug reactions

with AYUSH systems of medicines. Thus, to generate the databases related to suspected adverse drug reactions; the Pharmacovigilance program has been established for ASU & H Drugs.
