Policy for Slow and Advanced learners

Identifications:

1) Slow learners

The Institute identifies slow learners on the basis of their academic performance in midterm examinations. Scholars who have scored less than 50% marks in mid-term theory exam is identified as slow learner.

2) Advanced learners

The scholars who have scored more than 70% marks in the midterm theory exam are identified as advanced learners.

Specific programs:

Following programs running in AIIA for performance augmentation for slow learners:

- Academic counseling for slow learners is done through a mentor-mentee program.
- Academic support is provided through peer learning.
- Remedial / booster teaching.
- Uses of museums.
- Demonstrations.
- e-learning
- practice of solving old university papers

Following programs running in AIIA for Advanced learners:

- Motivation to attend various training programs
- Motivation to take up various certificate courses.
- Encouraged to research article writing
- Participation in various competitions like debate, essay writing, quiz.
- Motivation to paper/poster presentations in conferences or CMEs for developing analytical and problem-solving abilities as well as improving their presentation skills.
