- 2.procerus -vertical folds absent on affected side
- 3.orbicularis oculi-right eye does not close properly
- 4.buccinator -left side cheek does not blowout.
- 5.Levator anguli oris -nasolabial fold absent on right side.
- 6.Orbicularis oris -patient enable to whistling.

Sensory part of facial nerve:-NAD

MOTOR SYSTEM:-

muscles bulk-hypotrophy of muscles present

muscles tone-hypertonia

muscles power –intact

muscle reflex-glabular tap- right side affected

SENSORY SYSTEM:-

superficial- normal

deep-normal

INVOLUNTARY MOVEMENT :-absent

GAIT :-normal

CO-ORDINATION:-

Finger to finger- normal

Finger to nose- normal

Diadochokinesis- normal

Romberg's test- normal

Heel shine test- normal

SIGN OF MENINGEAL IRRITATION :-

Neck stiffness- absent

Kerning sign – absent

Brudzinski sign- absent

ASTHVIDH PARIKSHA

NADI :- Jalukavata

MUTRA :-pandu varna(vata)

MALA:- dridh,ruksha(vata),nirama

JIVHA:-sweta ,pichilla(kaphja)

SHABDA:-K-guru,P-spasta,**V-aguru,aspasta**

SPARSHA-ushna(pitta)

DRIK-aadra,jyotiheen(kapha)

AKRITI-madhyama

Dashvidha pariksha

PRAKRITI:-vata pittaja

SATWA:-madhyam

SATMAYA:-vyamisra sathmya

SARA:- madhyama
madhyama

VYAYAMA SHAKTI:-

SAMHANAN:-Avara
madhyama

AHARA SHAKTI:-

PRAMANA:-madhayama

VAYA:- jara

VIKRITI PAREEKSHA

▶ Hetu:

aharaja: kalaya sevana, coffee,tea.

viharaja: seetha vayu sevana

manasa: shoka

▶ Dosha: vata pradhan tridosha

▶ Desha- deha desh: mukhardha(Dakshin)

Bhoomi desh: jangala sadharana

▶ Kaala- : sisira rithu,vyadhyavastha: nava

▶ Bala- roga bala-madhyama

rogi bala-madhyama

SROTAS EXAMINATION

1. Pranavaha srotodusti :-NAD
2. Udakvaha srotodusti:-kanth jihva talu oshth shosha, pipasha
3. Annavaha srotodusti:-aruchi, avipaka
4. Rasavaha srotodusti:- angamarda, saad
5. Rakta vaha srotodusti:-NAD
6. Mansavaha srotodusti:-NAD
7. Medovaha srotodusti:-NAD

8.Asthi vaha srotodusti:-asthisula

9.Majja vaha srotodusti:-NAD

10.Sukravaha srotodusti:-NAD

11.mutra vaha srotodusti:-atimutrata,alpam

12.purisvaha srotodusti:-alpam alpam

13.Swedavaha srotodusti:-NAD

NIDAN PANCHAK:-

Nidan- atisheetsevnaat,kalaya sevan,mansika bhava

Purvrupa- kampana

Rupa-

- vaktraardha vakrta,
- vaakvikriti,
- netra aavilta,netrasrava
- vaikruta parsva ke greeva,danta ,netra vedana
- sravanasakti heenta

Samprapti ghataka:-

Dosha:-vata pradhan tridosha

Dushya:-asthi, sandhi ,sira snayu

Agni:-manda agni

Adhistan:-mukha ardha

Sroto-dushti:-sanga,

Vyadhimarga:-Madhyam

Swabhava:-chirkari

Sadhya-asadhyata-krichsadhya

Differential diagnosis

- ✓ Ardita
- ✓ Pakshaghata

Final diagnosis :-Ardita

THANK YOU
