Dear Dr. Prasanna,

Last week we sent the invitation beneath to you via Prof. Dr. Tanuja Nesari. As we now dispose of your personal email addresses, please allow us to invite you in person to the **21st International Ayurveda Symposium in Birstein, Germany**.

We sincerely hope to be able to welcome you as a speaker despite of your obligations in the AIIA Panchakarma department.

The International Ayurveda Symposium has been a driving force for Ayurveda medicine in Europe for two decades. Today we cordially **invite you to participate as a speaker** in this important expert congress.

The Symposium is the event where in-depth knowledge in Ayurvedic medicine is imparted. **From 13th to 15th September 2019** about 250 Ayurveda doctors, practitioners and consultants from India and Europe will meet for the **21st International Ayurveda Symposium in Birstein, Germany**. They will discuss therapeutic approaches from the perspectives of modern and traditional medicine, exchange new research results and pass on valuable practical experiences.

This year the **focus** is on the following topics:

- **Pariksha** – Diagnostic procedures in Ayurveda
- **Metabolic diseases** – Holistic therapy approaches

20th INTERNATIONAL LEPROSY CONGRESS

Philippine International Convention Center (PICC)
10-13 September 2019, Manila, Philippines

26 July 2019

To: **Dr. Anil Kumar**

Address: National JALMA Institute for Leprosy Agra
Ganj Agra 282004 Uttar Pradesh
India

Dear Dr. Anil Kumar,

In collaboration with the Department of Health-Philippines, on behalf of the Local Scientific Organizing Committee for the 20th International Leprosy Congress which will be held at Philippine International Convention Center (PICC), Manila, Philippines on 10-13 September 2019, I wish to invite you to attend the congress to present and share your insights and expertise about the disease. In particular, you are kindly requested to chair/co-chair a session on "Epidemiology and Control" scheduled on 11 September (Wed) at 16:15 - 18:00 to be held at Rm. 6 Secretariat Bldg, PICC.

The congress is a great opportunity for scientists, academicians, health care professionals, persons affected by leprosy, other partners and stakeholders to gather together in addressing global challenges towards a world free of leprosy and its complications.

We are looking forward to seeing you at the congress.

Sincerely,

Ma. Victoria F. Balagon, M.D.
