Personal Statement

I am a fully qualified and experienced General and Laparoscopic Surgeon with 7years of working experience, presently working in All India Institute of Ayurveda in Surgical department.

I have undergone training under Dr. Anurag Srivastava, HOD (Surgical Department) AIIMS, New Delhi. He has been my guide for my thesis during PG academic years and did my observership in breast cancer and other breast related diseases in AIIMS department of Surgery.

Publication: Indian Journal of Surgery (2021) - Management of lactational breast abscess with vacuum suction drainage versus ultrasound guided needed aspiration: A randomized controlled trial. Published on 17th June 2021.

I have been regularly attending the CME (Continuous Medical Education) programme to refresh my medical knowledge and surgical skills.

I have completed online course on Palliative Medicine conducted by Pallium India, Trivandrum.

I am a member of ELSA (Endoscopic Laparoscopic Surgeon Association)

BLS and ACLS in AIIA
